

# Fritz & Friends Memory Game

## Construction Instructions:

1. Print PDF file of Fritz & Friends game pieces.
2. Cut out each piece along lines.
3. Cut construction paper into 16 equal pieces. (This will be used to cover the back of the game pieces so you can't see through the paper)
4. Glue the game pieces onto the construction paper pieces and allow to dry.
5. You're ready to play!

## How to play:

1. Turn each game piece over, hiding the icons.
2. Flip over one piece at a time and try to match identical pieces using your memory!
