

FIRE SAFETY TIPS

- 1 Always make sure your smoke alarm has a full battery and is working properly.

My smoke alarm is working and has a full battery!
- 2 Teach children the importance of using matches and lighters appropriately and safely. Keep these items out of reach for little ones.

All matches and lighters are out of reach.
- 3 Map out a fire escape plan in case of an emergency. This will be a fun activity and could really come in handy should you have a fire in your home one day.

We have an emergency escape plan.
- 4 Always focus when cooking in the kitchen and remain in the room when your stove top and oven is on.

I commit to staying in the kitchen while cooking.
- 5 Exercise caution when using candles and never leave them burning when you're not in the room.

I commit to staying in the room when burning a candle.
- 6 Lastly, teach your kids how to react if a fire occurs. Get low to avoid smoke and get to safe spot as soon as possible. We can make bad calls or freeze when we're in an emergency. Practice makes perfect and could save your life or the life of a loved one.

I know what do do in case of a fire in my home.
